

CurbedWire: Hudson Square's Blue Ribbon, Jack's Back, Queens Gets Wet

HUDSON SQUARE—One of the teams that took part in that awesome Envisioning Hudson Square Design Charrette, Zakrzewski + Hyde Architects and Starr Whitehouse Landscape Architects and Planners, just received the American Institute of Architects' annual Design Award for their vision, titled **Hudson Square Rise**. There it is up above, and you can see more detailed glimpses of the design [here](#), [here](#) and [here](#). Congrats! [CurbedWire Inbox]
